# Red Room Celebrates World Book Day 2025

Red Room celebrated World Book Day by dressing up as some of their favourite story characters. There were princesses, superheroes and monsters! Red Room read some of their favorite stories throughout the day and discussed why they read books. Red Room has some parents coming into the nursery to read the story and sing their nursery rhymes from their culture and background. The children enjoyed listening to the parents and said thank you for the parents coming in. They all enjoyed dressing up and had a wonderful day.
