

## Parents Newsletter

Brearley Nursery School Parents Newsletter  
September - December 2022

Welcome to our New families and returning families. We would like to thank you for attending the parent workshops in September and following the organisation in school on keeping everyone safer. It's an exciting time for your child as they meet new friends and get used to their new class and measures in rooms. Please ensure that they arrive at school on time so that they can settle down to their learning as quickly as possible.
