

Visit from the Dentist

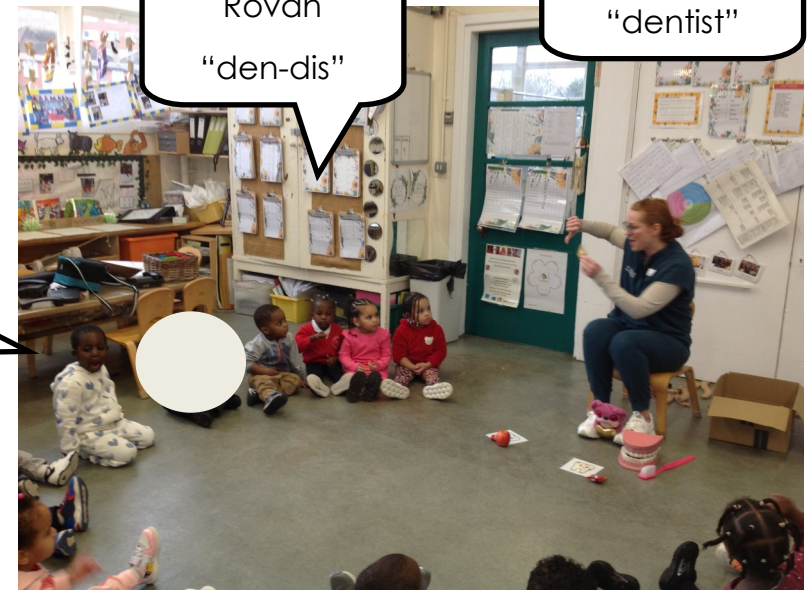

Adil
"tooth"

Nia
"I just like apple"

Future
"going dentist"

Rovan
"den-dis"

Maribel
"dentist"

Maryama
"hole in tooth"

Today we had a visit from the dentist in nursery. Blue room children went over to green room to see the dentist. She talked about how we look after our teeth and showed the group how to clean our teeth using props. After she showed the children items such as apples, sweets etc then asked if they are good or bad for your teeth. The children joined in by giving a thumbs up or thumbs down.
