Drawings of The Gingerbread Family

"This is my Gingerbread family. The Gingerbread man needs a bridge to cross the river or a boat. Im going to draw a boat so the Gingerbread man cant get eaten by the fox. I'm drawing a pedalo, the gingerbread man needs to use his feet to move it".

A child wearing a Spider-Man mask and a green jacket is sitting on a green playground surface, drawing a bridge with white chalk. The bridge is a simple line drawing with a rectangular shape in the middle. The child is holding a piece of chalk in their right hand. In the background, there is a red fire hydrant and a pink object.

“He needs a bridge so he can cross the water, he cant get eaten by the fox. I’m drawing a very long bridge”.

Drawing a bridge to help The Gingerbread Man

Making a house for The Gingerbread Man

The children in Yellow Room have been reading the story 'The Gingerbread Man'. We have planned lots of activities around this area such as drawing gingerbread, making gingerbread using salt dough. The children have spoke about where does the Gingerbread live? So we decided to make our own Gingerbread house using recycled materials.

Physical **W**ednesdays in the outdoor area

On **Wednesdays**, the outdoor area has lots of planned activities to promote physical development.

This week we have had had activities such as: Gardening / Watering the plants, physical counting using a number cube and number print in the outdoor environment, bikes, busy feet, making bridges/ boats linked to The Gingerbread Man story.
