

St George's Park

On Wednesday, 1st July 2026, the children visited their local park, St George's Park, with their families. We talked about the different activities we could do at the park, such as playing football, going on a nature hunt, and having a picnic.

The children enjoyed playing ball games and taking part in races with their families. Some parents joined in the races while the children cheered them on. We also looked at the birds flying in the sky and named some of them, including crows, seagulls, and pigeons.

The children then enjoyed playing with the parachute before sitting on it together to have a picnic. Everyone had a lovely time spending quality time together at the park.

Parent Voice

Somtochkwu Mum: "I had a lovely time. It was nice getting to know the other parents and finding out what we can do together at the park."

Nazrawi's Mum: "It was lovely to see how Nazrawi interacted and played with the other children."

Tamima's Dad: "I had lots of fun."

Raghad's Parent: "It was lovely to spend time with the children and get to know the other parents."
