

A visit to Cannon Hill Nature Centre

On Tuesday 14th April and Thursday 16th April 2026, the children in Red Room visited Cannon Hill Nature Centre. During their visit, they had the opportunity to observe a wide range of fascinating animals, including a yellow-breasted capuchin monkey, meerkats, capybaras, wild dogs, and parrots. The children also explored the reptile house, where they saw lizards, snakes, and even a Komodo dragon.

The visit provided a valuable learning experience, encouraging the children to develop their curiosity and understanding of the natural world. They enjoyed discussing what they could see, sharing their ideas, and learning more about different animals and their habitats.

The children in Red Room had a wonderful time and represented the school beautifully throughout the trip.

Children comments :

Mahmoud said, "I saw a European lynx. It is a big cat."

Bitanya said, "I saw a monkey—oo aa!"

Minoas said, "I saw a bush dog."

Rawand said, "Look, a big trunk!"

Arshan said, "Look everyone, the red panda is climbing the tree!"
