

Parental Involvement

Parents are always welcome in the school and encouraged to take an active interest in the activities we do with the children in nursery, as we firmly believe that your involvement will benefit your child. We hope that you will feel free to ask about our activities and help support us whenever possible. There are many ways in which you can become involved in the life of the school, even if you go to work. Some of the ways to be involved both at home and in nursery are:

- Sharing a book, joining us on visits, playing games, e.g. lotto, snap, talking and listening in imaginative play, supervising woodwork, cookery, playing an instrument, reading a storyand many more!
