

School Meals

School Dinners

We have our own school kitchen which means that we not only cook our meals on site but also each room has fresh toast and juice, milk or water at the start of each day! All of our children receive a lunchtime school meal which forms part of our personal and social education. We do not have the facilities to allow our children to bring a packed lunch. Dinner menus are displayed in each room and in nursery reception.

Ordering your child's Lunch

Your child's lunch is ordered as you arrive by room staff at 8.45a.m. If you are going to be late after register has been taken please phone the school office on: 0121 359 2309, who will make sure your child's lunch is ordered through the kitchen.

Paying for your child's Lunch

In order to eliminate cash from school we operate a Parentpay system for payment of school lunches. This enables parents to pay for their child's lunch online or using the Parentpay barcode to pay at local paypoint shops. Please speak to nursery office who will print you a personal barcoded letter to set up your Parentpay account.

Free School Meals

If you think your child may be entitled to Free School Meals please speak to nursery office who will undertake the relevant checks for you.

Allergies and Dislikes/ Religious

If your child does not eat a particular food for either religious or medical reasons or through parental choice, please tell your child's room staff. It will also help staff if you tell them of any genuine dislikes your child has.
